

Homework 2 Assignment

Create an abstract expressionist work in the style of Jackson Pollock. You may use any medium or combination of media (paint, ink, marker, pencil, glue, etc.) on any material (paper, cardboard, poster board, canvas, etc.). It can be in black and white or in color. The work should be about the size of a piece of a regular sheet of paper (8 ½ by 11 inches). It may not be created digitally; I want something created by hand.

Your grade will depend on how accurately you can capture Pollock's style. Looking at images of his paintings and reading about Pollock on the web will help you reproduce his style. We'll also be discussing it in class.

Extra Credit: Rent and watch the movie *Pollock*, starring Ed Harris and Val Kilmer, or watch the documentary, *Who the F*ck is Jackson Pollock?*.

I'll verify that you've seen either movie by asking a simple question that will be easy to answer for anyone who has seen the movie.
