0.75 setgray 220 300 10 70 rectfill
```

The image shows a grid with several colored rectangles drawn on it. A large blue vertical bar is on the left. To its right, there is a red horizontal bar, a yellow horizontal bar, a green vertical bar, a dark gray horizontal bar, and a light gray vertical bar. The code on the left side of the grid describes the coordinates and dimensions of these shapes.
